Be our valentine!!

Giselle Sarmiento is my first valentine of 2022! Love is in the air at the APIDA Center. I have loved, loved, loved having students back in our space. Daily adventures and lots of laughs are happening here.

As we move into the week of February 14th, we want to remind folks to celebrate all types of love - self-love, love for others, and APIDA love. The APIDA Center is hosting a Love Day Crafting event on Monday, February 14 from 6-8pm. In addition, on February 14-17 from 1-2pm, we are hosting support and discussion spaces about Healthy Relationships; come and talk about challenges with and success strategies for dating, friendships, families, and roommates.

Reminder: As of February 7th, we are back in full force!!!! Our regular office hours for this spring semester are Monday through Thursday from 10:00-8:00pm and Friday from 10:00-4:30pm. Drop by - say hello, study, hang out! We're here for everything and anything!
APIDA Center celebrates Lunar New Year!

The APIDA Center hosted a super fun Lunar New Year Mixer on Monday, February 7th. Over 80 students, faculty, and staff visited the Center. There were temporary tattoos, nail art, games, crafting, and goodie bags. Fun times were had by all!

Don't forget to check out our social media campaigns about Lunar New Year:

- Learn about Lunar New Year celebrations in various Asian countries.
- Learn about the Year of the Tiger.
- Learn about Lunar New Year festivities in San Diego.

The APIDA Center wishes everyone a happy and healthy Year of the Tiger. It's gonna be a grrrrrrreat year!
APIDA Sororities and Fraternities host USFC event!

The United Sorority & Fraternity Council was founded at SDSU in 1997. The council is comprised of fifteen cultural-based Greek-lettered sororities and fraternities on campus. Its purpose is to serve as a governing council and to promote unity and respect. This year's USFC President is Kimberly Chen (Alpha Phi Gamma). Kimberly, Madeline McKeel (Alpha Phi Gamma), and other members of the USFC Executive Board hosted a fabulous series of events this week in preparation for chapter recruitment and intake efforts. At the USFC Community Event which took place on February 7th, there were chapter performances, pizza, and super good times!

There are four APIDA organizations in USFC: Alpha Phi Gamma, Alpha Psi Rho, Delta Sigma Psi, and Sigma Phi Omega. Dr. Loh-Hagan is the super, super proud faculty advisor for Alpha Phi Gamma and Delta Sigma Psi.

Many thanks to Mr. Matt Garcia, Interim Director for the Center for Fraternity and Sorority Life, for supporting Greek Life at SDSU.
Ms. Agnes Wong Nickerson has been permanently selected to serve as SDSU's Chief Financial Officer and Vice President of Business and Financial Affairs. This makes her the highest ranking APIDA person at SDSU. Ms. Wong Nickerson oversees SDSU's administrative and budgetary operations. She has been instrumental in the development of SDSU Mission Valley and oversees the university's annual budget of over $1 billion. She is responsible for emergency management, environmental health and safety, facilities management, human resources, payroll, parking and transportation, real estate, facilities construction, housing, contracts and procurement, controller's office, student account services, university police department, KPBS, Aztec Shops, etc. She also provides financial oversight to SDSU Research Foundation, Associated Students, and Athletics. In addition, she is an amazing person and a huge SDSU basketball fan - In fact, on February 6th, she invited me to my first ever SDSU basketball game in which we won against Nevada. Go SDSU!

We want to celebrate the SDSU APIDA community!

Gi Gonzales, APIDA Center Graduate Student Assistant, is recommending *The Magic Fish* by Trung Le Nguyen. She said: "If you’re looking for a new book to read, I recommend *The Magic Fish* by Trung Le Nguyen. It is a semi-autobiographical graphic novel about a Vietnamese American teenager as he navigates his sexuality and cultural identity. The book explores themes like language barriers, family dynamics, and intergenerational trauma. For my fellow educators, I would use this book to teach character traits, points of view, and response to literature writing. This can also be a great culturally-responsive book to use for a fairytale unit, exploring how classic fairytales are told from multiple cultures."

Share all things APIDA (i.e., books, movies, food, restaurants, etc.). Send a picture of you with the product and your glowing review. Email us at apida@sdsu.edu.

**Student-Led Workshops & Student-Created Social Media Campaigns**
Do you have expertise on a topic? Do you have a special skill? Consider sharing your knowledge with us! APIDA Center launched our Student-Led Workshops and Student-Created Social Media Campaigns. This is a great opportunity to show off your expertise and share your passion with others. It’s also an opportunity to learn how to plan an event or prepare a campaign with our support. Work with an APIDA Center staff member who will serve as your project mentor. We are interested in any and all APIDA-related topics! If you are interested in participating, email us at apida@sdsu.edu.
One SDSU x APIDA Center is hosting a MAKERS' MARKET!

Calling all Makers, D.I.Y.ers, entrepreneurs, and singer-songwriters! One SDSU and APIDA Center is hosting a MAKERS' MARKET! We want to show off your talents. We also want to provide you an opportunity to make a little money for yourself, for your student organization, and/or for a good cause. Sign up for a table and sell your homemade products. And/or, sign up to sing an original song on stage. Sign up by Feb 15 for priority consideration. There are limited spots and we will accept as many people as possible. We will confirm your participation by March 1. The actual Market will take place on Thursday, March 10th from 2-8pm in the Student Union Courtyard.
