Some food places on campus excluded from the meal plan include:

Grocery stores/Where to Shop

SDSU has a Trader Joe's on campus where most students shop.

There is also a Walmart and Target 10 minutes away on College Avenue that students usually shop at. In this particular shopping center there's also a Ross and Kohl's.

Fashion Valley and Mission Valley are two malls that are both close to campus and popular among students. There is a stop on the trolley for both malls so you can either drive or hop on the trolley for either.
