FUND YOUR STUDY ABROAD PROGRAM

Join Paola Moreno, Gilman Scholarship recipient, and SDSU Study abroad advisor, Ryan Mclemore to hear about the opportunities and personal experiences of studying abroad.

There is a world of opportunities for you to make possible the desire to study abroad with scholarships that are interested in making your dreams come true and expanding your mind. I will share with you the steps that led me to live the experience of being an exchange student in two countries thanks to the scholarships I obtained, such as the Gilman Scholarship.
