Request for Living Arrangements Change**

To request a change to your living arrangements from living with parents to living in an off-campus apartment or house, submit this completed form and attach documentation described in items 1 and 2. **Submit this form after you have moved into your off-campus apartment or house.**

We are required to verify your current off-campus living arrangements by collecting specific documents.

1. Submit a copy of your lease or rental agreement. If you don't have a lease or rental agreement, your landlord must provide a signed statement detailing your address, move in date, and monthly rent. Your landlord's signed statement must include his/her contact information and be written on official letterhead if available.

AND

2. Attach a photocopy of a current utility bill (i.e., SDG&E, water, cable, etc.), credit card bill, or bank statement in your name that was mailed to your off-campus address.

In most cases, your increase in cost will not change your grant eligibility. Additional funding available will be from the Federal Direct Student Loan, the Federal Direct Grad PLUS, and/or Federal Direct Parent PLUS Loan Programs within your borrowing limits.

Clearly state your specific request.

I want to be considered for the maximum Subsidized and/or Unsubsidized Federal Direct Loan I can borrow for my grade level, OR

I want to be considered for the maximum Grad PLUS Loan.

Other _____
(specify - Federal Work Study, Alternative Loan, reinstate scholarship, etc.)

I want to be considered for the maximum Parent PLUS Loan.

My signature certifies that the information I provided is complete, accurate, and I have included appropriate documentation to support this request. Further, I understand that because of funding limitations, an increase to my financial aid eligibility due to my off-campus living arrangements may only increase my loan eligibility if I have not already borrowed the maximum allowable for my grade level.

The deadline to submit this request is Friday, April 16, 2021 by 3:00 PM Pacific Time.
