JOTERIA SIN FRONTERAS

A support group centered around the intersecting identities of Latinx students who identify as LGBTQIA. The group is open to people who identify as any form of Latinx and any form of lesbian, gay, bisexual, transgender, queer, intersexed, and questioning identity. Our group meetings are a place to be ourselves without limits, a space where community can come together to talk about issues that we face on-and-off campus, share, plan events, and have fun!

Jotería Sin Fronteras aims to reclaim the term as a form of empowerment, recognizing the intersections of our multiple identities without limitations, while acknowledging the locations we occupy on Kumeyaay Territories and the borderlands of San Diego.
