**COVID-19 Vaccination Submission Instructions**

1. Log into [healthconnect.sdsu.edu](https://healthconnect.sdsu.edu). If you have not already registered for an account, follow [these instructions](#).
2. Once logged in, click on the Immunization tab.

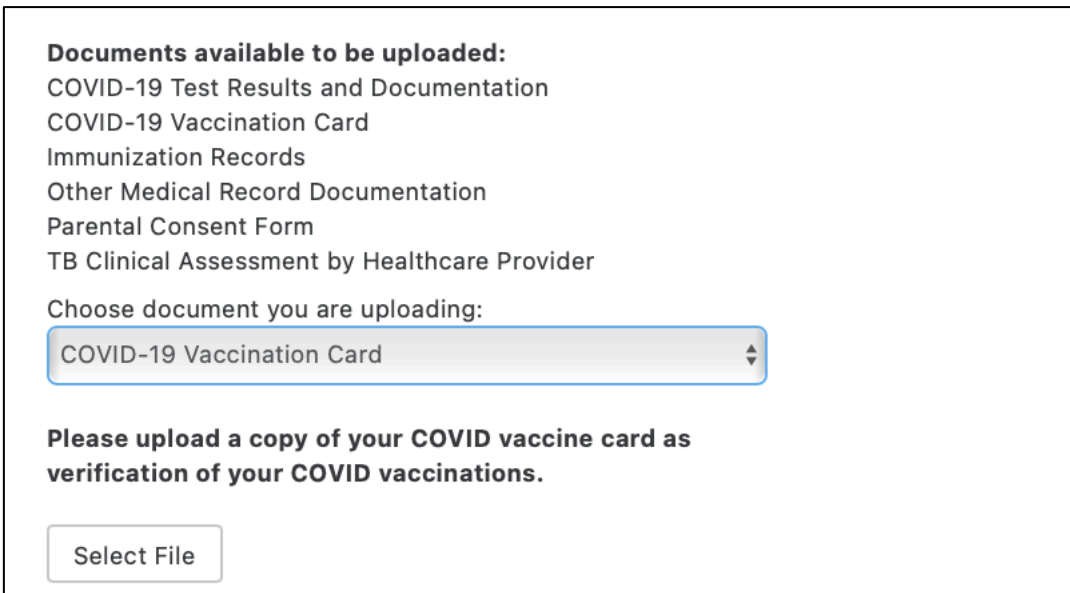

3. Click on COVID-19 Vaccine and you will see a drop-down of the approved COVID vaccines. Enter the dates of your vaccine(s). Then click Submit.

A screenshot of the 'COVID-19 Vaccine' submission form. The form is titled 'COVID-19 Vaccine' and contains three sections for different vaccine types: Janssen / Johnson & Johnson, Moderna, and Pfizer. Each section includes a brief description of the vaccine and its administration requirements. Below each description are date input fields with calendar icons. The Janssen section has one date field. The Moderna section has two date fields labeled 'Dose 1' and 'Dose 2'. The Pfizer section also has two date fields labeled 'Dose 1' and 'Dose 2'. At the bottom of the form is a blue 'Submit' button.

4. Go to the Upload tab to submit your proof of vaccination. For the next step, you will need to have a photo of your vaccine card.

5. Select COVID-19 Vaccination Card and Select File.

6. Browse to select the photo of your COVID-19 vaccine card. Then click Upload. \*\*Be sure that your file name does not have any special characters. Images must be: .gif, .png, .tiff, .tif, .jpg, or .jpeg files and smaller than 4MB.

7. You will know your card has successfully uploaded when you see it listed under Documents already on file.

You are welcome to upload documentation of your first dose right away after you receive it and upload your second dose three to four weeks later when it is completed.
