AZTEC MUSIC GROUP OUTCOME LETTER

On October 28, 2025, an organizational investigation was launched regarding alleged violations of the Student Organization Code of Conduct by **Aztec Music Group**.

Based on the preponderance of the evidence gathered during the investigation, including review of documentation and meeting with the Aztec Music Group President, I have found **Aztec Music Group** to be in violation of the **Student Organization Events policy**.

(b.32.3) Student Organization Events: Failure to register off-campus events with the Office of the Dean of Students.

As a result of the violation of the **Student Organization Events policy**, **Aztec Music Group** is sanctioned to a **Formal Warning without conference**.

If there is any objection to the order issued by this letter, please respond to me (karaujolipine@sdsu.edu) via email within ten (10) business days of receipt of this letter. We will then schedule an Informal Conference.

Respectfully,

Kevin Araujo-Lipine
